Molly Maid of Hamilton County will hold a ribbon cutting to celebrate its three-year anniversary and an expansion of the company's office.

The ceremony will be held at 10 a.m. on August 16 at 5600 Brainerd Road, Suite A-20. The office is located behind Eastgate Town Center between the YMCA playground and Convergys.

The Chattanooga Area Chamber of Commerce will assist with the ribbon cutting festivities.

Since it opened in August of 2007, Molly Maid has doubled its office size to 1,200 square feet and has grown from three employees to 13.

The local Molly Maid franchise is owned by Ashley Doherty, whose parents, Scott and Melissa Farrar, founded the business in middle Tennessee 17 years ago.

"Molly Maid provides the greater Hamilton County area with high-quality, reliable service that every busy family or person requires and deserves," Doherty said.

All Molly Maid home service professionals are carefully screened and properly insured, which offers customers peace of mind, she said, adding that a supervised team of two uniformed home services professionals arrive at each customer's home.

"We furnish all cleaning equipment and supplies," said Doherty, a UTC graduate and former marketing manager. "Every home service professional completes an extensive quality training program before they go to the customers' homes, so that we can confidently deliver our guarantee of satisfaction."
