

DEEP CLEANING HOME CHECKLIST

MOLLY MAID.

a neighborly company

Entire Home

Dust and vacuum

Hard-to-reach ledges, windows, light fixtures and above cabinets

De-scale faucets / showerheads

Remove white calcium build up with vinegar

Clean out aerators

Unscrew from faucets and soak in vinegar

Clean sinks

Use scouring powder to remove stains

Remove and clean vent covers

Wipe with a dryer sheet to prevent dust build up

Mop floors

Use 1 cup vinegar and 1 gallon hot water

Wipe down ceiling fan blades

While you're up there, look for cobwebs in the corners of rooms

Spot clean stains on carpet and upholstery

Steam clean larger stains

Wipe finger prints and smudges off doors and doorframes

Don't forget the baseboards

Clean garbage cans, recycling bins and wastebaskets

Soak hard crud with hot soapy water and scrub

Replace air filters

Date the new filters

Clean blinds

Spray with vinegar and wipe

Vacuum couch and cushions

Move furniture to vacuum underneath and around

Clean cabinets / drawers

Remove debris and wipe out with disinfectant

Kitchen

Clean oven & wire racks

Soak racks in soapy water then scrub. Use oven cleaner or a baking soda/water paste to scrub interior

De-grease stovetop, hood fan/filter, pot grates

Use hot soapy water and don't forget the knobs

Clean microwave

Use hot soapy water or disinfectant spray

Empty and clean refrigerator / freezer

Toss expired items and wipe fridge shelves with wet rag

Clean appliances

Wipe down with disinfectant spray

Clean dishwasher

Run on empty with ½ cup vinegar and baking soda

Bathroom

Scrub grout

Baking soda and toothbrush work great

Launder shower curtain (if washing machine safe)

If not, use a mild bleach solution and scrub

Clean toilet

Don't forget the top of tank, the base and behind toilet

Clean toothbrush holder

Don't forget the soap dish too

Scrub tub

Polish faucets and showerhead

Clean mirror with glass cleaner

If you have a medicine cabinet, clean and organize that too
